Hello,

The US EPA has prepared the following information resource:

Thank you for contacting the Region 8 Environmental Information Service Center. Local and national media inquiries about the Gold King Mine release can now be sent to press@epa.gov. We have copied press@epa.gov on this response to you so they are aware of your request. We also have a phone line in our Joint Information Center staffed by press officers. The phone number is 970-812-3351.

Hi All:

I'm writing to see if Shaun would be willing/able to participate in a 10-minute segment on the EPA's plan to change ozone standards.

This is for our Sunday morning show Balance of Power, which airs right before *Meet the Press*.

Hoping to tape on Wednesday at 1pm in our studios.
